### ROYAL NAVAL RESERVE (RNR)

Serving with the Royal Naval Reserve (RNR) is a chance to develop skills, knowledge and personal qualities that will help in your civilian work. It's also an opportunity to meet friends, stay fit and travel. The RNR can support you with excellent training and benefits.

### ARMY RESERVE

Army Reserve soldiers work in their spare-time as soldiers for the British Army alongside Regular soldiers. The Army Reserve is expanding and will work ever more closely with the rest of the Army. This means that there will be more opportunities for people who want to enjoy the challenges that come with being a Reservist.

### ROYAL MARINES RESERVE (RMR)

The Royal Marines Reserves are elite Reservists who are ready for anything. Combining their civilian jobs with serving as fully trained commandos they have the opportunity to specialise in engineering, anti-tank warfare, signals and other skills.

### RAF RESERVES

RAF Reserves spend their spare-time developing transferable skills, increasing self-confidence, meeting people from a wide range of backgrounds and enjoying adventurous training opportunities. RAF Reserves serve alongside Regulars both in the UK and abroad.
